# Equality and Diversity Policy

---

## Introduction

This policy describes the way in which Stevenage Sporting Futures Team will meet the requirements of the Equality Act 2010. This Act replaced all previous equality legislation such as the Race Relations Act, the Disability Discrimination Act and the Sex Discrimination Act. The policy will be applied to all employees, volunteers and participants connected with the organisation.

**Definition of Equality and Diversity** - For this policy the following definitions of 'equality' and 'diversity' have been adopted:

**Equality** is about striving to eliminate disadvantage, discrimination and deprivation.

**Diversity** is not about treating everyone the same, but about:

- Recognizing and valuing difference; and
- Recognizing and accounting for inequality and disadvantage

Diversity is inclusive and something that is equally relevant to us all.

## Working Environment

SSFT promote a working environment in which diversity is recognised, valued and encouraged. SSFT acknowledge the multi-cultural and diverse nature of the UK workforce and society in general. SSFT are committed to principles of fairness and mutual respect where everyone accepts the concept of individual responsibility. It is therefore your responsibility to make sure you observe and adhere to this policy at all times. SSFT view any breach seriously. SSFT **will** investigate and potentially take disciplinary action. This may include dismissal in instances SSFT consider gross misconduct.

SSFT recognise that discrimination in the workplace in any form is unacceptable and in most cases unlawful. SSFT's policy seeks to ensure job applicants and employees are treated fairly and without favour or prejudice. SSFT are committed to applying this throughout all areas of employment. This includes recruitment and selection, training and development, benefits, rewards and promotion, dealing with grievances and disciplinary issues.

SSFT's policy complies with current legislation. SSFT review it regularly and will update it if the law changes. However, SSFT recognise that equality of opportunity is best achieved by day-to-day commitment throughout the organisation. SSFT offer support and training where necessary to achieve and maintain this.

## Recruitment and Promotion

The selection methods SSFT use for recruitment and promotion are related to the requirements of the job. SSFT do not seek irrelevant qualifications, experience or skills. Applicants are short-listed/selected solely on the basis of their assessed capability for the role.

As an equal opportunities employer SSFT is committed to ensuring that SSFT provide equality of opportunity to all in employment. The aim is to ensure that SSFT do not unfairly discriminate against any job applicant or employee/volunteer for any reason.

At all levels SSFT will seek to ensure that in recruitment, training, delivering services and partnerships, people regardless of background, will have the opportunity to:

- Join the project as an employee, volunteer or participant on equal footing with others.
- Enjoy personal development to improve opportunities.
- Be heard when expressing concerns or dissatisfaction.
- Employees/volunteers will have the opportunity to attend equalities and diversity training.
